

CURICULUM VITAE

® Mgr. art. RIA KMEŤOVÁ, ArtD.

Krótką charakterystyka twórczości Fotograf, multimedialna twórczość, instalacje, videoart.

Twórczość autorki rozwija się w dwóch płaszczyznach, przy czym twórczość fotograficzna jest pierwszą z nich, ukierunkowaną na auto-refleksyjną twórczość analizującą sferę uczuć i subiektywne przeżywanie poszczególnych zdarzeń. Drugą płaszczyzną jest multimedialna twórczość, w której główny nurt rozwija się w ramach długotrwałego projektu „otwarty projekt PLUS“ publikowanego i sukcesywnie aktualizowanego w płaszczyznach online i offline.
